## 1. **INTRODUCTION**

- 1.1 This Code is intended as a guide, to indicate the standards of conduct and accountability which are expected of Governors, to enable them to understand their legal and ethical duties and to assist them both in carrying out those duties and in their relationship with the Governing Body and the Principal as the Chief Executive. This Code, therefore, is aimed at promoting effective, well informed and accountable college governance, and is not intended to be a definitive or authoritative statement of the law or good practice.
- 1.2 In addition to this Code, Governors are recommended to familiarise themselves with the source documents listed in the Schedule.
- 1.3 This Code should not be read as an exhaustive statement of duties, powers or provisions, and Governors should refer to the source documents listed in the Schedule. If a Governor is in doubt about the provisions of this Code or any of the source documents, the Clerk should be consulted and, if necessary, professional advice should be obtained. However, ultimate responsibility for the appropriateness of conduct as a Governor of the College and for any act or omission in that capacity rests with the individual Governor.
- 1.4 This Code applies to every committee or working group of the Governing Body and to every subsidiary company or joint venture of the College to which Governors may be appointed.
- 1.5 By accepting appointment to the Governing Body, each Governor agrees to accept the provisions of this Code.

### 3. **AIMS AND VALUES**

- 3.1 The vision for the future of Petroc is "An outstanding College at the centre of an outstanding learning community". This vision is supported by the College's Mission Statement which is "To drive forward educational, economic and cultural success by continually raising the aspirations, knowledge and skills of individuals, communities and businesses".
- 3.2 The Core Values adopted by the College, and as set out in the College's Public Value Statement, are:
- Work everywhere and anywhere, in our communities and beyond;
  - Have a broad view of learning, without compromising standards and quality;
  - Work within a robust and effective business planning framework;
  - Take care of our people, facilities and finances;
  - Reflect the diversity of our communities by being inclusive and promoting equality; and
  - Promote sustainability and reduce Petroc's carbon footprint.
- 3.3 The College's Vision and Mission Statements, together with the corporate objectives of the College agreed by the Governing Body from time to time, seek to encapsulate the core purposes and aims of the College. Governors, should have due regard to these purposes and aims, and to the Core Values, when conducting the business of the Governing Body and considering the activities and proposed activities of the College.

3.4 The Governing Body recognises its obligations to all those with whom it and/or the College have dealings, including students, employees, suppliers, other educational institutions and the wider community. In particular, the Governing Body is committed to:

- having close regard to the voice of the learner;
- combating any discrimination within the College on the grounds of the characteristics protected by the Equality Act 2010; engaging with the community which the College serves in order to understand and meet its needs.

These obligations are enthusiastically embraced in the individual policies and procedures of the College. Each member of the Governing Body is required to display a strong commitment to the principles involved.

3.5 The Governing Body is also committed to ensuring that it conducts its business in accordance with the highest ethical standards as set out in more detail in this Code.

#### 4. **DUTIES**

4.1 Governors owe a fiduciary duty to the College. This means that they should show it the highest loyalty and act in good faith in its best interests. Each Governor should act honestly, diligently and (subject to the provisions appearing in paragraph 10 of this Code relating to collective responsibility) independently. The actions of Governors should promote and protect the good reputation of the College and the trust and confidence of those with whom it deals.

4.2 Decisions taken by Governors at meetings of the Governing Body and its committees or working groups must not be for any improper purpose or personal motive. Decisions taken must always be for the benefit of the College, its students and staff and other users of the College and must be taken with a view to safeguarding public funds. Accordingly, Governors must not be bound in their speaking and voting by mandates given to them by other bodies or persons.

4.3 Governors must observe the provisions of the College's Instrument and Articles of Government and, in particular, the responsibilities given to the Governing Body by the College's Articles of Government. Those responsibilities, including a list of "reserved" responsibilities which are so important that they must not be delegated, are set out in Appendix 3.

4.4 Governors should comply with the Standing Orders and terms of reference of the Governing Body and its committees or working groups to ensure that the

Governing Body conducts itself in an orderly, fair, open and transparent manner. Governors must keep those Standing Orders and terms of reference under periodic review.

- 4.5 Governors should also have regard to the different, but complementary, responsibilities given to the Principal as the College's Chief Executive. The responsibilities given to the Principal by the College's Articles of Government are set out in Appendix 4. Whereas it is the Governing Body's function to decide strategic policy and overall direction and to monitor the performance of the Principal and any other senior postholders, it is the Principal's role to implement the Governing Body's decisions, and to manage the College's affairs within the budgets and framework fixed by the Governing Body. Governors should work together so that the Governing Body and the Principal, as Chief Executive, perform their respective roles effectively.
- 4.6 Governors should refer to the Clerk for advice relating to the governance functions which are set out in Appendix 4 and have regard to the Clerk's independent advisory role.

## 5. **STATUTORY ACCOUNTABILITY**

- 5.1 Governors are collectively responsible for observing the duties set out in the Financial Memorandum which the College has entered into with the Agency as a condition of receiving public funds. A summary of some of the more important requirements of the Financial Memorandum is set out in Appendix 5.
- 5.2 Although the Agency is the main provider of funds to the College, Governors should note that they are also responsible for the proper use of income derived from other sources, such as the Higher Education Funding Council for England (HEFCE) and the European Union (EU), and for the control and monitoring of expenditure of such income, in order to meet the requirements of the relevant funding body and public audit.
- 5.3 As accounting officer for the Agency, its Chief Executive is directly responsible and accountable to Parliament for ensuring that the uses to which the Agency puts its funds are consistent with the purposes for which the funds were given and comply with the conditions attached to them. The Principal, as accounting officer for the College, is also directly responsible and accountable to Parliament, through the Committee of Public Accounts, for the effective stewardship by the College of public funds. The Principal may be required to appear before the Committee of Public Accounts, alongside the Chief Executive of Skills Funding, to give an account of the use made by the College of such funds. The Governing Body is accountable to Parliament for ensuring the financial health of the College, and to the Courts for ensuring that the College is conducted in accordance with the Education Acts and the general law.

## **6. PUBLIC SERVICE VALUES**

Public service values are at the heart of the further education service. High standards of personal and corporate conduct, based on the principles set out in Appendix 1 and 2 of this Code, and the recognition that students and other users of the College's services come first, are a requirement of being a Governor, and should underpin all decisions taken by the Governing Body.

## **7. SKILL, CARE AND DILIGENCE**

A Governor should in all his or her work for the College exercise such skill as he or she possesses and such care and diligence as would be expected from a reasonable person in the circumstances. This will be particularly relevant when Governors act as agents of the College, for example, when functions are delegated to a committee of the Governing Body or to the Chair. Governors should be careful to act within the terms of reference of any committees or working groups on which they serve.

## **8. POWERS**

Governors are responsible for taking decisions which are within the powers given to the Governing Body by Parliament under sections 18 and 19 of the Further and Higher Education Act 1992, as amended. A summary of those powers is set out in Appendix 6. If a Governor thinks that the Governing Body is likely to exceed its powers by taking a particular decision, he or she should immediately refer the matter to the Clerk for advice.

## **9. CONFLICTS OF INTEREST**

9.1 Like other persons who owe a fiduciary duty, Governors should seek to avoid putting themselves in a position where there is a conflict (actual or potential) between their personal interests and their duties to the Governing Body. They should not allow any conflict of interest to arise which might interfere with the exercise of their independent judgement.

9.2 Governors are reminded that, under the College's Instrument of Government and the Governing Body's Standing Orders, they must declare if they intend to acquire or hold any interest in any property held or used for the purposes of the College or receive any remuneration for their services (save as a member of the College's staff) save where this would be permitted under charity law and where necessary with the consent of the Charity Commission.

9.3 Governors are reminded that under the College's Instrument of Government and the Governing Body's Standing Orders they must disclose to the Governing Body any direct or indirect financial interest they have, or may have, in the supply of work to the college or the supply of goods for the purposes of the College, or in any contract or proposed contract concerning the College, or in any other matter relating to the College or any other interest of a type specified

by the Corporation in any matter relating to the College, or any duty which is material and which conflicts or may conflict with the interests of the Governing Body.

- 9.4 However, an interest does not have to be financial for the purposes of disclosure. If an interest of any kind (including an interest of a spouse or partner of a Governor or of a close relative of the Governor or his or her partner or spouse) is likely or would, if publicly known, be perceived as being likely to interfere with the exercise of a Governor's independent judgement, then:-
- 9.4.1 the interest, financial or otherwise, should be reported to the Clerk;
- 9.4.2 the nature and extent of the interest should be fully disclosed to the Governing Body before the matter giving rise to the interest is considered;
- 9.4.3 if the Governor concerned is present at a meeting of the Corporation, or any of its committees or working groups, at which such supply, contract or other matter constituting the interest is to be considered, he or she should:-
- not take part in the consideration or vote on any question with respect to it and shall not be counted in the quorum for that meeting; and
  - withdraw from that meeting where required to do so by a majority of the members of the Corporation, committee or working group present at the meeting.
- 9.5 For the purposes of clause 9.4 "close relative" includes but is not limited to a father, mother, brother, sister, child, grandchild and step-father/mother/brother/sister/child.
- 9.6 Governors must not receive gifts, hospitality or benefits of any kind from a third party which might be in breach of the Bribery Act 2010 and the College's anti-bribery policy or to be seen to compromise their personal judgement or integrity. Any offer or receipt of such gifts, hospitality or benefits should immediately be reported to the Clerk.
- 9.7 The Clerk will maintain a Register of Governors' Interests which will be open for public inspection. Governors must disclose routinely to the Governing Body all business interests, financial or otherwise, which they may have, and the Clerk will enter such interests on the Register. Governors must give sufficient details to allow the nature of the interests to be understood by enquirers. Governors should inform the Clerk whenever their circumstances change and interests are acquired or lost. In deciding whether an interest should be disclosed, Governors should have regard to the meaning given to "interest" in paragraphs 9.4 and 9.5 of this Code.

## 10. **COLLECTIVE RESPONSIBILITY**

- 10.1 The Governing Body operates by Governors taking majority decisions in a corporate manner at quorate meetings. Therefore, a decision of the Governing Body, even when it is not unanimous, is a decision taken by the Governors collectively and each individual Governor has a duty to stand by it, whether or not he or she was present at the meeting of the Governing Body when the decision was taken.
- 10.2 If a Governor disagrees with a decision taken by the Governing Body, his or her first duty is to have any disagreement discussed and minuted. If the Governor strongly disagrees, he or she should consult the Chair and, if necessary, then raise the matter with the Governing Body when it next meets. If no meeting is scheduled, the Governor should refer to the power of the Chair or any five Governors under the College's Instrument of Government to call a special meeting and, if appropriate, exercise it, requesting the Clerk to circulate the Governor's views in advance to the other Governors. Alternatively, as a final resort, the Governor may decide to offer his or her resignation from office, after consulting the Chair.

## 11. **OPENNESS AND CONFIDENTIALITY**

- 11.1 Because of the Governing Body's public accountability (and the importance of conducting its business openly and transparently), Governors should ensure that, as a general principle, students and staff of the College, and the general public, have free access to information about the proceedings of the Governing Body. Accordingly, agendas, minutes and other papers relating to meetings of the Governing Body and its committees are normally available for public inspection when they have been approved for publication by the Chair.
- 11.2 There will be occasions when the record of discussions and decisions will not be made available for public inspection; for example, when the Governing Body considers sensitive issues or named individuals and for other good reasons. Such excluded items will be kept in a confidential folder by the Clerk, and will be circulated in confidence to Governors. Some confidential items are likely to be of a sensitive nature for a certain period of time only (for example information relating to a proposed commercial transaction or collaboration with another institution). The Governing Body should specify how long such items should be treated as confidential or, if this is not possible, such items should be regularly reviewed to consider whether the confidential status should be removed or whether the public interest in disclosure outweighs that confidential status and the item made available for public inspection. When considering such issues the Governors must also consider the College's publication scheme issued under the Freedom of Information Act 2000 and the principles enshrined in that Act.

- 11.3 However, staff and student Governors have no right of access to minutes dealing with matters in respect of which they are required to withdraw from meetings under the College's Instrument of Government, unless the other Governors decide otherwise.
- 11.4 It is important that the Governing Body and its committees have full and frank discussions in order to take decisions collectively. To do so, there must be trust between Governors with a shared corporate responsibility for decisions. Governors should keep confidential any matter which, by reason of its nature, the Governing Body or any of its committees or working groups has resolved should be dealt with on a confidential basis.
- 11.5 Governors should not make statements to the press or media or at any public meeting relating to the proceedings of the Governing Body or its committees or working groups without first having obtained the approval of the Chair or, in his or her absence, the Vice Chair. It is unethical for Governors publicly to criticise, canvass or reveal the views of other Governors which have been expressed at meetings of the Governing Body or its committees.

## 12. **COMPLAINTS**

- 12.1 In order to ensure that the affairs of the College are conducted in an open and transparent manner and that the College is accountable for its actions and use of public funds, but also to its employees, its students and the community it serves, it is important for there to be appropriate complaints procedures in place and for these to be well publicised. Governors are reminded of their specific responsibility under the Articles of Government to make rules specifying the procedures in accordance with which employees may seek redress of any grievances relating to their employment, of the importance of having formal complaints procedures in place to handle issues raised by students, former students and third parties and of the legal requirement to have a whistle blowing procedure in place.
- 12.2 Under the Agency's Financial Memorandum with colleges, students, employees and other third parties have a right to make a complaint to the Agency in respect of the College or of any of its decisions, and this right is referred to in the College's relevant complaints procedures. Copies of these procedures can be obtained from the Clerk. Governors, in particular, are reminded that under the Agency's procedure for dealing with complaints about Providers of Education and Training (April 2011) the Agency:
- *must* investigate all allegations of irregularity (unlawful or unethical conduct, financial malpractice, equality and diversity issues and health and safety risks to staff, learners or the public;

- *can* investigate quality or management of learning provision, undue delay or non-compliance with published procedures, poor administration by the Provider, equality and diversity issues (except where there is a more appropriate mechanism for dealing with the matter through the court or tribunals or other organisations), health and safety concerns and complaints made by learners following HE courses in FE colleges.

### 13. **ATTENDANCE AT MEETINGS**

- 13.1 A high level of attendance at meetings of the Governing Body and its committees is expected so that Governors can perform their functions properly.

### 14. **GOVERNANCE DEVELOPMENT**

- 14.1 The Governing Body shall seek to ensure that all Governors are appointed on merit, in accordance with an open selection procedure carried out by the Search and Governance Committee, and are drawn widely from the community which the College serves so as to be representative of that community. Governors should have regard to the provisions relating to the membership of the Governing Body in the College's Instrument of Government, the need to combat discrimination and to promote equality, and the need to make available a range of necessary skills and experience to ensure that the Corporation carries out its functions under the College's Articles of Government.
- 14.2 Governors must obtain a thorough grounding in their duties and responsibilities by participating in the College's governance induction and training programmes.
- 14.3 In order to promote more effective governance, Governors will carry out an annual review of the performance by the Governing Body of its duties and responsibilities, as part of a continuing and critical process of self evaluation.

The following is an extract from the Second Report of the Nolan Committee on Standards in Public Life, May 1996

#### **SELFLESSNESS**

Holders of public office should take decisions solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

#### **INTEGRITY**

Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might influence them in the performance of their official duties.

#### **OBJECTIVITY**

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

#### **ACCOUNTABILITY**

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

#### **OPENNESS**

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

## **APPENDIX 5**

### **Summary of Main Provisions of the Financial Memorandum with the Skills Funding Agency**

#### **Purposes**

This SFA Financial Memorandum was originally issued in March 2012 and replaced the document issued by the LSC in 2006. Subsequent amendments have been made and a revised Financial Memorandum was issued in July 2013, effective from 1<sup>st</sup> August 2013.

#### **Definitions**

It should be noted that references to funds include funds provided by HEFCE as well as those provided by the SFA.

#### **Statutory framework**

The conditions set out in the financial memorandum are intended to enable the Chief Executive of Skills Funding to carry out his functions under the Apprenticeships, Skills, Children and Learning Act 2009 (ASCLA). Note that ASCLA gives these functions to the holder of this post rather than to the SFA itself. The SFA has no separate legal status and will in due course become an agency of the Department for Business, Innovation and Skills (DBIS). The Chief Executive of Skills Funding (the "Chief Executive") has responsibilities as accounting officer to his or her department for ensuring that the use of funds which he/she receives from the Secretary of State is consistent with his/her statutory remit and any conditions imposed by the Secretary of State.

#### **Responsibilities of a Governing Body**

The Governing Body of the College has responsibilities for ensuring that the College's funds are used only in accordance with the College's powers as set out in the Further and Higher Education Act 1992 and the College's own statutory duties and other obligations.

The Governing Body is responsible for ensuring the solvency of the College and shall inform the Chief Executive or any transactions that could jeopardise financial viability. The Governing Body is responsible for achieving value for money in all transactions involving Public Funds.

The Governing Body shall appoint an accounting officer with an appropriate separation of duties between executive and non-executive roles and responsibilities. The expectation is that the accounting officer will be the Principal of the College. The Governing Body

shall inform the Chief Executive in writing of the name and position of the accounting officer and if the accounting officer is absent from the College for an extended period as determined by the College, the name of the person who will discharge the accounting officer's responsibilities during the absence.

The College shall inform the Chief Executive in writing of the vacating or filling of the positions of Chair of the Governing Body, the Principal and the Clerk.

### **Allocation of funds**

The Chief Executive will allocate funds to the corporation annually provided that he/she is satisfied that the corporation is financially viable and able to deliver education of a reasonable quality meeting the needs of learners and employers and the corporation has met the previous year's conditions of funding. The corporation is free to spend its funding as it sees fit provided it fulfils the conditions of funding but funds must not be used to deliver provision in respect of which the corporation has already received other funding, public or otherwise, unless agreed by the Chief Executive.

### **Capital transactions**

The corporation shall properly manage and develop its property with regard to good practice guidance in the FE sector and ensure that it maintains premises which are properly equipped in order to deliver the education and training for which it is funded by the Chief Executive.

Where the College proposes to dispose of, lease or rent land and/or buildings which have been acquired or developed and/or refurbished or modernised with the help of capital grants from the Chief Executive and predecessor bodies the Chief Executive should be notified in writing of such transactions and reserves the right to require repayment of some or all of the associated grant.

### **Financial reporting and Audit**

The Chief Executive shall specify his requirements as to the information to be contained in the College's financial statements and how they should be reported in accordance with best practice in the further education sector.

The corporation shall appoint an audit committee and arrange to provide internal and financial statements audit, including regularity audit, in accordance with the Joint Audit Code of Practice and any best practice guidance drawn up and published by the Agency in consultation with colleges. Any mandatory requirements under the Joint Audit Code of Practice shall be a condition of funding under this financial memorandum.

The College shall provide the Chief Executive with copies of its Audited financial statements within five months of the college's year end. As a charity, the College is expected to make its financial statements available to members of the public on request.

The College shall demonstrate that any payments made in respect of the termination of employment are regular, secure value for money and have not been made where disciplinary action would have been justified. All such payments shall be brought to the attention of the financial statements auditors.

The College must ensure it has an effective policy of risk management.

The College shall investigate and report to the Chief Executive all significant cases of internal and external fraud or suspected fraud or irregularity (as defined in the Joint Audit Code of Practice). The Chief Executive reserves the right to review the College's fraud investigation files.

The Chief Executive reserves the right to impose additional conditions of funding where he/she considers it necessary to do so to secure the delivery of education and training of a reasonable quality by the College, or ensure that the resources provided are being used effectively and efficiently or to require the College to address concerns about its financial viability.

### **Repayment of funds**

In the case of a breach of the conditions of funding the Chief Executive reserves the right to require repayment of all or part of the funds.

### **Interpretation**

Nothing in the financial memorandum shall require the corporation to act in a manner which would cause the corporation to cease to be a charity.
