

Dear applicant,

We hope you are keeping safe and well in these unprecedented times.

We wanted to write and to reassure you, that if you have already accepted a place on one of our Access Diplomas starting in September 2020, your place is safe and there is nothing more we need you to do.

We will be in touch over the coming weeks to inform you of the virtual summer workshops/activities we are holding that might assist you if you are at all concerned about returning to education. We are also planning themed 'zoom' sessions with members of the Access to HE teaching and support team. These sessions will be invite only and will include areas such as finance, and course information.

If you have already applied but have not yet been interviewed, you will soon be contacted to arrange a telephone discussion and confirm your next steps.

To stay updated with information for new starters, and general Petroc news, you can keep in touch via our **new starters page** and our social media accounts.

Stay safe, and we look forward to welcoming you in September.

Yours Sincerely,

Lynda Broomhead
Curriculum Team Leader and Department Manager,
