

Please use the designated route to drive or walk to the Dog Grooming Studio, the map will help guide you to us. We have our own car parking space, shown on the map, which can be used for drop off and pick up only.

If you wish to stay longer and enjoy other Petroc facilities such as the gym, spa or restaurant then you will need to pay and display in the main car park.

Should you need to dispose of your pet's waste while onsite then we have designated bins located at the Animal Centre for you to use and we do insist that all waste is picked up and removed.

While on site your dogs should remain on a lead at all times.

Our playing fields beside the Animal centre are used for sporting events so we are unable to exercise dogs in this area however the location of Petroc presents some lovely walks nearby and we are happy to discuss these with you.
