VETMED & MEDICS ACADEMY

F Block
(top floor)

The Academy is a tutorial group for students wishing to pursue a career in Medicine, Vet medicine, or Dentistry. The academy entails a programme of enrichment run by an academic member of staff. The structure is based on similar learning to many UK medical schools and students develop an appreciation of what a degree and career in these fields entails.

STUDENT SERVICES

The Egg

The Student Support Service will give you a warm welcome and opportunity to talk about the support that is available at college. We have a team of experienced safeguarding officers and support staff who provide a mentoring service to help students with the transition into college and ensure they feel safe and have a positive learning experience.

APPRENTICESHIPS

A Block
