

## eduroam – Connecting **Apple OSX (Mac Books)**

1. Click on the wireless symbol by the clock at the top of the screen.
2. Choose eduroam.

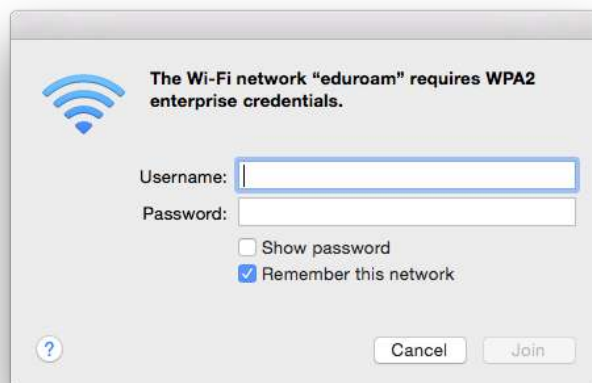

3. Enter your username and password: There are two options, **read this bit carefully:**

**1: If you are setting up your device to use at a PETROC Campus:**

Set Username to your Petroc username **without** @petroc.ac.uk added on to the end. For example: ab12345

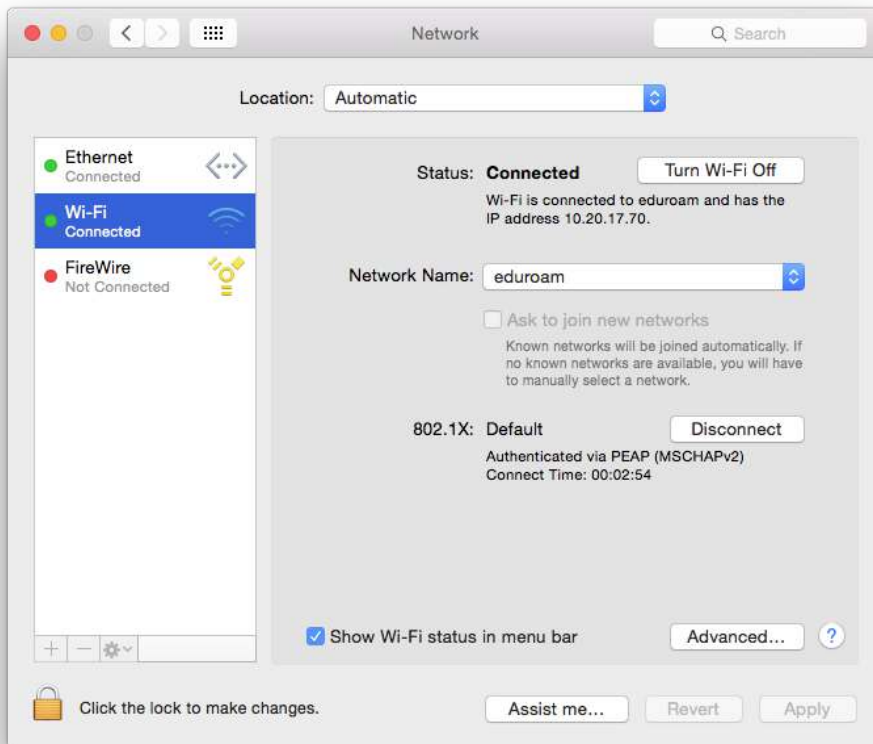

**2: If you have a Petroc account and are setting up your device to use at another institution that you are visiting that provides eduroam:**

Set Username to your Petroc username **with** @petroc.ac.uk added on to the end. For example: [ab12345@petroc.ac.uk](mailto:ab12345@petroc.ac.uk)

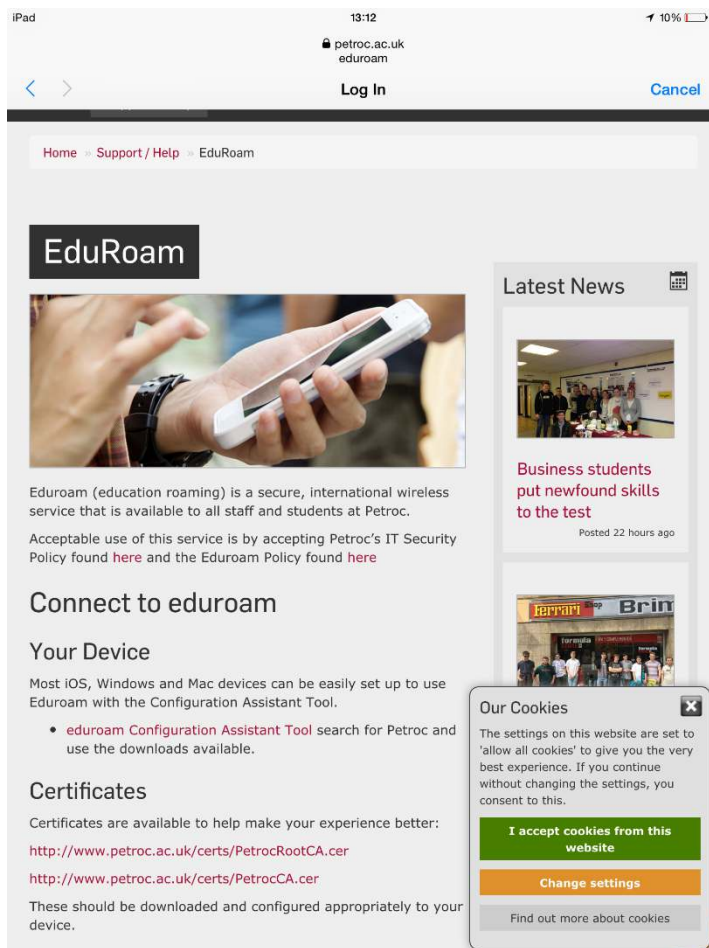

4. You should now be connected to the eduroam wireless network.

5. Load Safari and browse to the link below. It will take you to the Petroc Eduroam web page:  
[www.petroc.ac.uk/support-help/eduroam](http://www.petroc.ac.uk/support-help/eduroam)
6. There is a certificate to install from a link on this page to improve your browsing experience

Once this is installed you are ready to start web browsing.
