2. Enter your username and password: There are two options, read this bit carefully:

1: If you are setting up your device to use at a PETROC Campus:

Set Username to your Petroc username **without** @petroc.ac.uk added on to the end. For example: ab12345

Cancel	Enter Password		Join	
Username	ab1234			
Password	•••••			
Mode		Automatic	5	

2: If you are setting up your device to use **at another institution** providing eduroam that you are visiting:

Set Username to your Petroc username **with** @petroc.ac.uk added on to the end. For example: ab12345@petroc.ac.uk

Leave mode set to Automatic.

3. Click accept to accept the certificate:

You should now be connected to the eduroam wireless network.

4. Load Safari and browse to the link below. It will take you to the Petroc Eduroam web page:

5. There is a certificate to install from a link on this page to improve your browsing experience

Once this is installed you are ready to start web browsing.
