

INDUSTRY COURSES

If you already work in the construction industry, but can't claim a CSCS card, this course is for you!

£1200

Construction NVQ in Bricklaying, Carpentry, Painting & Decorating, Plastering, Plumbing, Electrical and Site Management.

- We come to you for assessment, and offer any additional advice and guidance required at the college.
- No matter what your previous academic experience, we will work to your ability.
- As soon as you are signed up on this course, you can apply for a CSCS card, with your employer.

“These courses are all up and running and are perfect for getting people who already work in the industry, onto building sites which require a CSCS card.” Chris Jenkins, course assessor
