

## CONGRATULATIONS ON RECEIVING YOUR GCSE RESULTS!

Whatever grades you received, we're really looking forward to welcoming you to Petroc in September as you continue your next steps to a happy and fulfilling future and career.

Once you receive your grades, here's what you need to do next:

1. Log into your **myPetroc** student account.
2. Type in your GCSE results on the 'GCSE Results' tab.
3. Upload a photograph of your GCSE results to your account.
4. If you have problems uploading your results, please email the photograph to **results@petroc.ac.uk**.

As soon as we have your results, they will be checked against your course entry requirements.

If you have **met the required grades**, you will receive an email to confirm your place at Petroc.

If you have **not met the required grades**, or are unsure if you have met the grades, don't panic - just upload your grades as soon as possible, and we will discuss your options when you come in for your Enrolment Day.

Every learner will be contacted over the next few weeks to make sure they have a place in September. In the meantime, please go to our '**Starting in September**' page to check you have completed all the other necessary steps to prepare for your course, such as applying for transport and the college bursary: **petroc.ac.uk/starting-in-september**
