

Skin/Patch Testing

A skin/patch test is used to determine whether you are allergic to any of the ingredients used in any on-scalp/skin colour application, e.g. full-head colour or eyelash tint. A skin/patch test must be placed on the skin (in the crook of the elbow) 48 hours prior to the service. The skin/patch test must be shown to the stylist/therapist before the service can commence. Pick up your skin or patch test from The Lifestyle Centre.

Payment

You can use cash, debit/credit card or a voucher to pay your bill.

Gift vouchers

Our vouchers make the perfect gift for a friend or loved one. Gift vouchers can be redeemed on all hair and beauty services, but cannot be used to purchase products. Vouchers are available in denominations of £5, £10 and £15.

Our students are in training, and therefore all salon sessions are fully supervised. Your service may take a little longer, which is reflected in the lower price.

Our Beauty Therapist and Hair Stylists are fully qualified with a wealth of industry knowledge and commercial experience both locally and nationally.

Don't forget to pick up your TLC reward card.

The Hair & Beauty Academy is situated within The Lifestyle Centre, which also boasts the Taw Restaurant, so combine a lovely lunch or evening meal with a relaxing pamper treatment.
