

Your Pathway to Academic and Career Success

Are you an ambitious student aiming for academic and career excellence? The Aim Higher Academy at North Devon College offers an A Level programme combining top-tier education with career-focused opportunities to set you on the path to university and beyond.

Programme highlights:

Exeter University Sponsorship: Gain exclusive access to lectures, workshops, and resources to prepare for higher education.

Industry Integration: Engage with key employers through industry talks, mentorship, and discussions for real-world insights.

Career-Focused Work Experience: Gain hands-on experience through placements with leading local and national industries.

Access to Advanced Facilities: Use modern science labs, media suites, and engineering workshops for practical learning.

Designated Common Room at SWIOT: Collaborate with like-minded peers in a dedicated space in the South West Institute of Technology (SWIoT).

Personalised Learning Plans: Customised plans and continuous advisor support keep you focused and motivated, driving you to consistently achieve and surpass your goals.

Admission Criteria: Open to students with a GCSE average of 6 or higher. This requirement ensures that each student is ready for the academic and professional challenges of the programme.

Your Pathway to Success: The Aim Higher Academy equips students for competitive university applications and career paths. With top academic resources, industry engagement, and personal learning support, you'll gain the skills and experience needed to succeed.
