April 2026

Hello!

Hello!

We hope you are looking forward to a nice break in April.

As your exams are approaching, it is good to start thinking about your next steps and be prepared and organised for your next chapter.

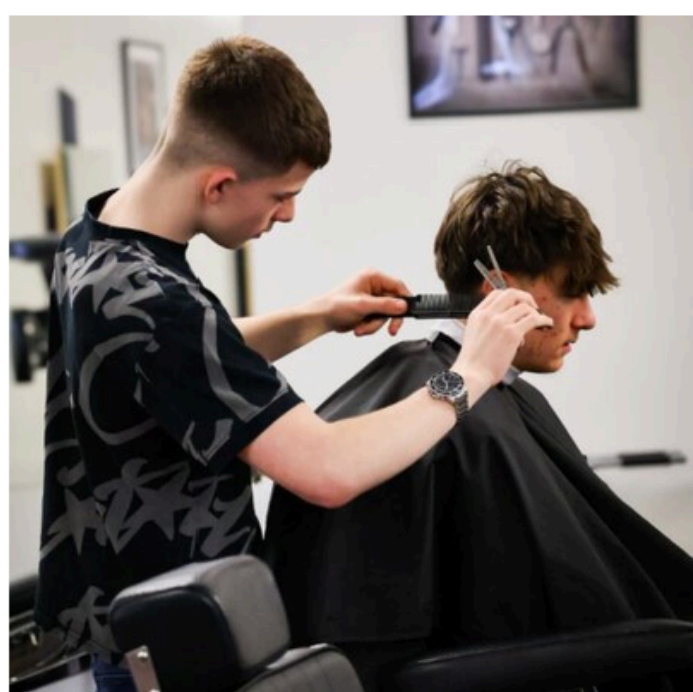

If you're still trying to decide what you would like to do, you still have time to apply. There are plenty of staff on hand at your School and at College that can help you with your application.

Upcoming Events!

Our next event is:

- Academic Futures Evening 16/06/2026.

For further information on this event, please visit our website: [Academic Futures Evening](#).

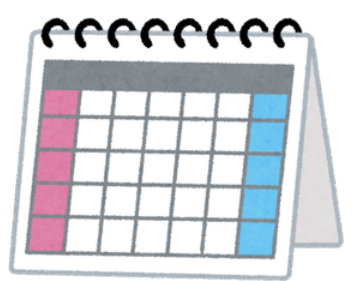

Revision Tips!

When preparing for your exams, it is important to get a good balance between school, revision and home life!

Your brain may focus best in short bursts. Try multiple short revision sessions (30-45mins) and small breaks in between.

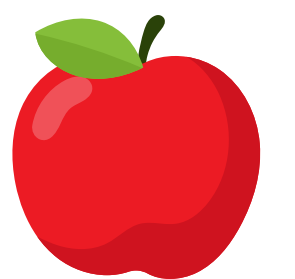

Create a revision timetable to help you focus your revision sessions.

Keep your brain active by revising with different methods e.g. flash cards, mind maps, quizzes.

Look after yourself by drinking lots of water and eating proper meals. Ensure to get fresh air.

Do practice exam papers to help learn.

Ensure to get plenty of rest and sleep.

College Life!

You might have mixed feelings about starting college and that is okay. It is a big step but it is an exciting opportunity for you!

It's not all about studying when at College. We want to ensure that you have fun too. Here are just a few of the things that you can take part in:

Clubs/Enrichment:

Lots on offer to choose from. A chance to try something new, make new friends and for your own development and wellbeing. Some include; board games, surfing, sports and music.

Academies:

Lots of areas to choose from to develop your skills further. Some include; STEM, Creatives, VETMED & Sport.

Aim Higher Academy:

Partnered with Exeter University. Exclusive access to guest speakers, workshops and resources to prepare you for higher education.

Tips on applying!

Look at our prospectus and website to see all courses available.

You can apply to multiple colleges if still undecided.

Get advice from teachers, careers leads and family members.

Choose subjects you will enjoy or that link to your future career.

If you have any further questions, please do not hesitate to contact us: schoolliaison@petroc.ac.uk.

Best wishes,

Maddy
School Liaison
