Newsletter

May 2026

Hello!

Hello!

It's that time of year where some of you may be getting ready to start your GCSE's.

This is a really important time of year for you all. There might be a mixture of feelings, some of you might be feeling anxious and some of you might be feeling excited. All of these feelings are normal.

There is plenty of help and support along the way to help you through this time. Make sure you speak to your teachers, family members, carers and friends and reach out to us with any questions.

We wish you the very best of luck with your exams.

Upcoming Events

Our next event is:

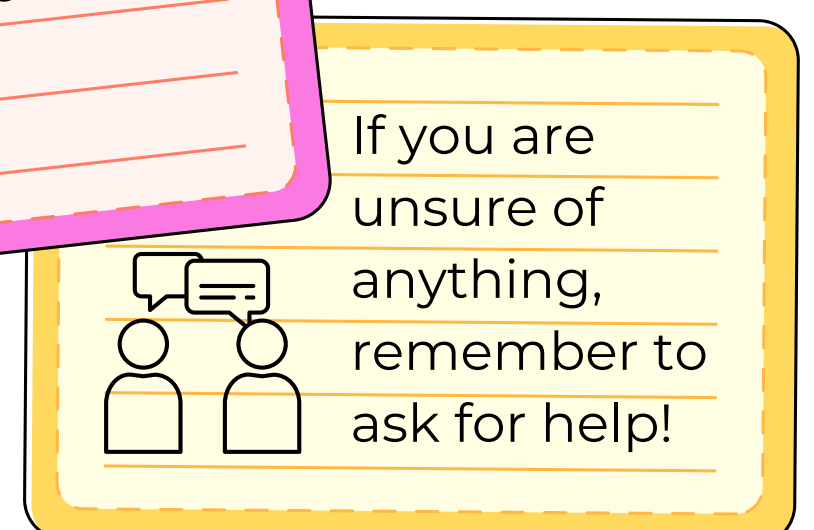

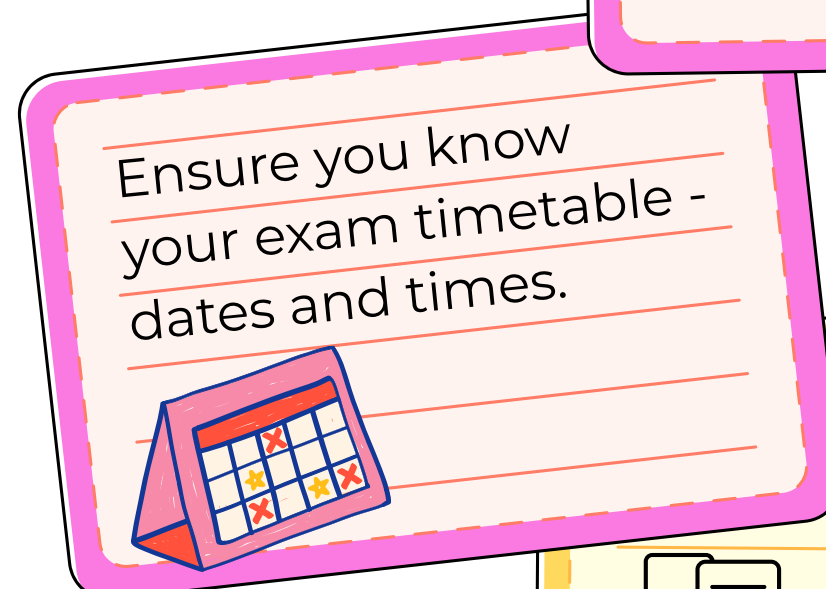

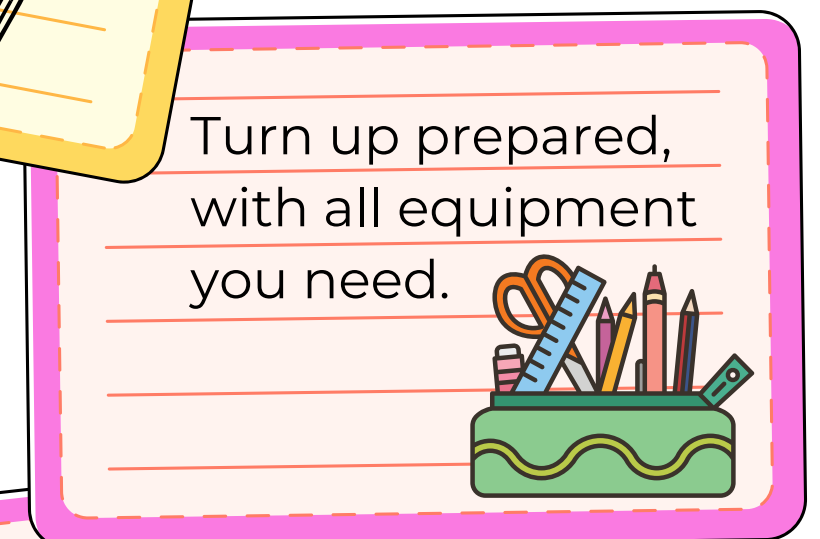

- 16th June 2026 - A Level Event 5 - 7pm

Discover why North Devon college is the ambitious choice for A Levels.

Meet lecturers, explore academies and extracurricular opportunities.

For further information on this event, please visit our website.

Tips for Exam Season

New Facebook Page

We're live on a new Facebook Page!

We've recently launched our official North Devon College Facebook page - your new place to keep up to date with everything happening across the college.

You'll find updates on student achievements, upcoming events, trips and opportunities all in one place.

Make sure you're following to stay informed and connected - plus, there will be opportunities to win prizes!

Scan the QR code to give us a follow!

What's on

The sports facilities at North Devon College have recently been transformed and upgraded, giving students the best possible space to train and learn a variety of different sports and activities.

Our Hair students put in fantastic work for the Hair Showcase, creating amazing designs. The students had their hair creations judged and then showcased on our very own fashion runway!

Finally, our Carpentry students are building plywood and fibreglass boats through the Skills Boost programme, using materials from Jewson to develop practical skills and industry knowledge.

If you have any further questions, or would like a quiet tour of the college, please do not hesitate to contact us at schoolliaison@petroc.ac.uk.

Best wishes

Maddy
